THE WORD "MASTITIS" MAKES THE FLEMISH DAIRY FARMER THINK OF …

At the Agriflanders agricultural fair, edition 2013, we have asked 750 Flemish dairy farmers 3 term that crossed their mind when they heard the word "mastitis". In total we noted 233 different words and processed the 50 most frequently mentioned ones in a "word cloud". The larger the term , the more frequently it has been mentioned.
